

The goal of **TBall** is to get excited about baseball, to keep the game moving as to not lose the attention of players, and most importantly to have fun!

- Game play is 1 hour - both teams get an equal number of turns in field and at bat, game time can be extended to accomodate.

- Each player will bat once per inning.

- Batters will swing at the ball off the tee until it is hit into play.

- We do not keep score and there are no outs.

The goal of **Mini** is to get excited about baseball, to keep the game moving as to not lose the attention of players, and most importantly to have fun!

- Game play is 1 hour - both teams get an equal number of turns in field and at bat, game time can be extended to accomodate.

- Each player will bat once per inning, there are no 3 outs to end an inning rule.

- Batters will receive 4 overhand pitches from the coach, if the player does not hit on the 4th pitch, they will hit off the tee until they put the ball into play.

- We do not keep score, but players can try and get a runner out at a base, and if they do so, runner will return to the dug-out – this is does not count as an out but is to begin teaching the fundamentals of the game for the next age division.
